PHARMACIST
APPROVED

WHAT SHOULD **NOT** GO IN YOUR SECURE A DRUG CONTAINER

- Syringes
- Vials
- Sharps
- Packaging
- Tubing

Disclaimer: All other Schedule 1 controlled substances must be turned over to local law enforcement and they are illicit medications with no intended medical use. This is a GUIDE ONLY and is intended to provide general information. Users of this guide are strongly encouraged to check applicable local, state and/or federal regulations.

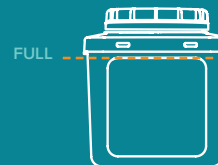

How to Use

CHARCOAL ACTIVATED

Dispose of medications,
close container and
gently shake.

The container is full
once contents reach the
top of the label. When
full, close and lock.
